The compressor in good operational condition, it has CE marking and it is still installed and can be tested. Running video available

Technical data

Manufactured by: Atlas Copco Belgium
Made in year: 1997
Type: ZR 250
Serial number: ATF 053886
Total operation hours: 64200
Loaded hours: 50700
Capacity (FAD): 37.7 m³/min at 10.0 bar
Electric motor: 250 kW
Compressor rotating speed: 1485 rpm
Air dryer: Atlas Copco MD 600, sr no AIO 009885
Compressor dimensions: 4.34 x 2.00 x 1.65 m (L x H x W)
Weight - Compressor 5360 kg
