

## 3972016 TECHNICAL MACHINE SHEET

Product: Air Compressor Oil Flooded KAESER DS 170  
Product number: 3972016  
Manufacturer: KAESER Kompressoren GmbH  
Manufacturer's type: DS 170  
Manufacturing year: 1996  
Capacity: 16 m<sup>3</sup>/min (FAD), 7.5 kW  
Status: Dismantled  
Condition: Good

### Pictures:

### JADE Machine Description:

Two identical units of oil flooded rotary screw compressors. Kaeser compressors has patented SIGMA profile large diameter screws for high efficiency and low maintenance costs. These compressors are fully automatic, silenced and vibration damped. The compressors were in good operational condition when they were dismantled in 2015 and they have CE marking. The units are located in a warehouse in Finland. A tank for pressurized air is included.

### Technical data

Electric motor: 90 kW  
Serial number: 172908 & 172909  
Total operation hours: 43.592 & 57.540  
Loaded hours: 23.665 & 24.014  
Compressor rotating speed: 1480 rpm  
Air tank make: OKS Otto Klein GmbH  
Air tank working/test pressure: 11 bar / 16 bar  
Air tank capacity: 5.000 L
