

6092018 TECHNICAL MACHINE SHEET

Product: Air Compressor KAESER CSD 102 oil flooded, 12 Nm³/min
Product number: 6092018
Manufacturer: KAESER Kompressoren GmbH
Manufacturer's type: CSD 102
Manufacturing year: 2002
Capacity FAD: 12 Nm³/min at 7,5 bar
Condition: Fully operational

JADE Machine Description:

This oil flooded rotary screw air compressor is made by Kaeser in 2002 and it has total 95217 operating hours. Machine has air cooling and it was last serviced by Kaeser service at 93563 hours. It has the capacity of 12.0 Nm³/min at 7.5 bar and the control unit of the machine is an SFC module from Siemens.

Technical data	
Operating hours	95 217
Loaded hours	58300
Serial Nr	1118
Rated power	55 kW
Rated voltage	400V 3~50Hz
Rated current	108 A
Dimensions	1760x1110x1900
Weight	1320 kg
Control unit	SFC module from SIEMENS
